Company of Good Recognition System

The Company of Good Recognition System aims to recognise the contributions of organisations in Singapore for their commitment at the national level to **Corporate Purpose** and impact in the **People, Society, Governance, Environment** and **Economic** dimensions.

Building on previous Champion of Good editions, the Company of Good Recognition System is designed to be more inclusive, recognising organisations at different stages of progress toward corporate purpose and the five impact areas.

Large Enterprises, Small and Medium-sized Enterprises (including Social Enterprises), and Public Service Agencies operating in Singapore can be recognised as Companies of Good.

You can either submit the Simplified Questionnaire to qualify as a Company of Good – 1 Heart, or complete the Full Questionnaire to be eligible for Company of Good – 1 Heart, 2 Hearts, 3 Hearts, or Champion of Good.*
